

# ***FAMILY BREAKOUT HANDOUT***

***Advent Week Four -- LOVE***

***Sunday December 20, 2020***

1. What is the most memorable part of today's sermon? Why is it memorable to you? (was it funny, was it unusual, did it encourage you, did it challenge you?)
  
  2. Read 1 Corinthians 13:4-7. If you can, read in two or three different translations. What stands out to you as you compare different English versions of these verses? Which of these phrases do you think is the most needed expression of love in our community today?
  
  3. Describe a time when you have seen someone go out of the way to love someone this year? Do you think there have been more instances of this, or less during this challenging year? Why?
  
  4. Read Psalm 36:5-7. God's love is described in the grandest of terms. Describe a time when your view of God's love got bigger. What changed in your thinking?
  
  5. Today's Advent reading mentioned how Joseph chose loving actions in the midst of troubling news. What choices are before you that need loving actions to be taken? What sometimes holds you back from responding in love?
