

FAMILY BREAKOUT HANDOUT

Their Hope, Our Joy, His Glory – Sermon Series in Colossians

Sunday November 22, 2020

1. What is the most memorable part of today's sermon? Why is it memorable to you? (was it funny, was it unusual, did it encourage you, did it challenge you?)

2. Was there something in verses 24-28 of Colossians chapter 1 that you felt needed more attention in the sermon or something that you still have questions about? Why?

3. Have you ever endured hardship or difficulty for taking on stand on something? What about for being a Christian? What was it like? In what ways did you feel alone? Not alone?

4. What comes to mind when you think of the word "perfect?" What types of things do you sometimes describe as perfect? What do you mean when you use the word "perfect?"

5. If the goal is for each member of the church to be "perfect in Christ" (v 28) how do you think it is accomplished? What does the context indicate? When will it happen?
